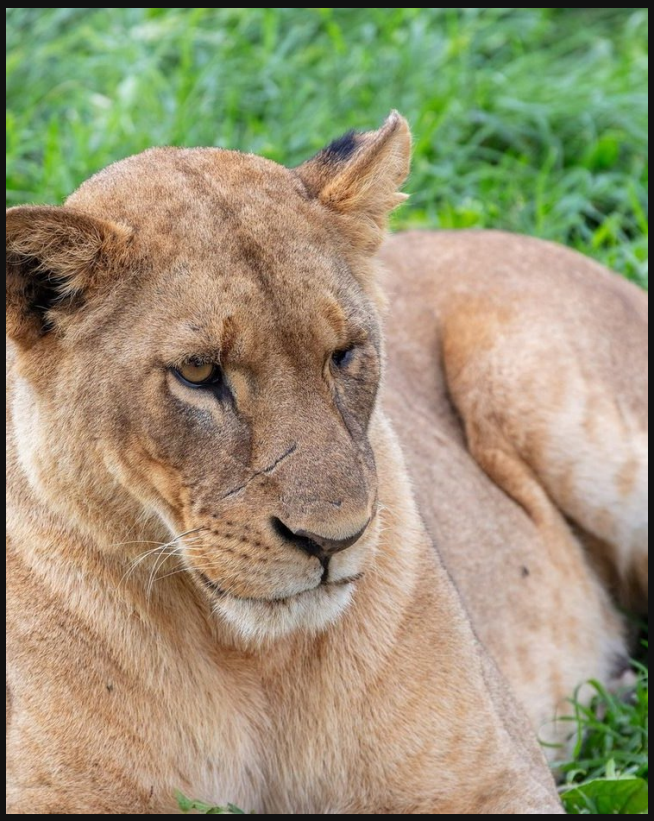
Lake Nakuru National Park

Early in the morning, you'll be picked up from the airport or from your hotel then drive to Lake Nakuru National Park. It is across the equator, southwards of Bogoria and lies on the Rift Valley's most famous Lake Nakuru. Known all over the world for its flamingoes, it's alkaline and is recognized as being one of the Natural Wonders of the World. Lake Nakuru is now a rhino sanctuary, harboring a population of over 40 black and over 60 white rhinos. However, the flamingos, of course, have always been the main attraction. At times there may be almost 2 million flamingos in the residence, forming a stunningly beautiful deep pink band around the edge of the lakeshore. You will arrive in time for lunch then have an afternoon game drive.

Lake Nakuru



Lake Nakuru National Park/Maasai Mara National Reserve

We'll have an early morning drive to Maasai Mara National Reserve. It holds on as one of the few places left on earth where wildlife still lives comparatively undisturbed, in the numbers that once roamed the plains and forests of Africa. As the northern tip of the vast Serengeti ecosystem, the Mara hosts the spectacular seasonal migration of many thousands of wildebeest, zebras and attendant predators. You'll arrive in time for lunch then have an afternoon game drive.

Maasai Mara

Maasai Mara National Reserve

After breakfast, we will have a full day game drive, with packed lunch provided. The reserve is well known for its black-maned lion, as well as its abundant resident wildlife. It is one of the few places where it's possible to see the Big Five during the morning game drive. Many of the cheetahs are so tame that they seek shelter from the hot sun under one's vehicle and several even climb onto the roof to get a better view of prospective prey. The Mara hosts the spectacular seasonal migration of many thousands of wildebeest, zebras and attendant predators. For the bird enthusiast, almost 500 species have been recorded: among these 16 species of eagle, many hawks and falcons, 6 species of vultures, 8 species of storks, 4 of bustard (including the kori bustard, the world's heaviest flying bird), and 9 species of sunbirds.

Maasai Mara

Maasai Mara National Reserve /Mombasa

You'll have a morning game drive in Maasai Mara and depart late in the morning for Mombasa. Here you'll spend three days where you can relax and have a memorable and fun vacation with amazing and beautiful landscapes. Enjoy lunch en-route and in the afternoon, catch your flight from Nairobi to Mombasa.

Diani Beach

Days 5–6

Mombasa

Take a deep breath and pamper yourself with a relaxing stay at the beach. You'll be in a quiet place, of crystalline turquoise water, white sand, and a huge seashore with only the noise being the sea and gulls in the background. This place has become popular for its exotic beaches, diverse marine life, world-class hotels, and friendly people. Nightlife is always exciting, and the city offers many dance clubs and casinos that cater to a variety of entertainment tastes.

Mombasa to Nairobi

You can spend the last hours of your journey relaxing. Afterward, you will have a transfer to Mombasa Airport for your domestic flight back to Nairobi.
