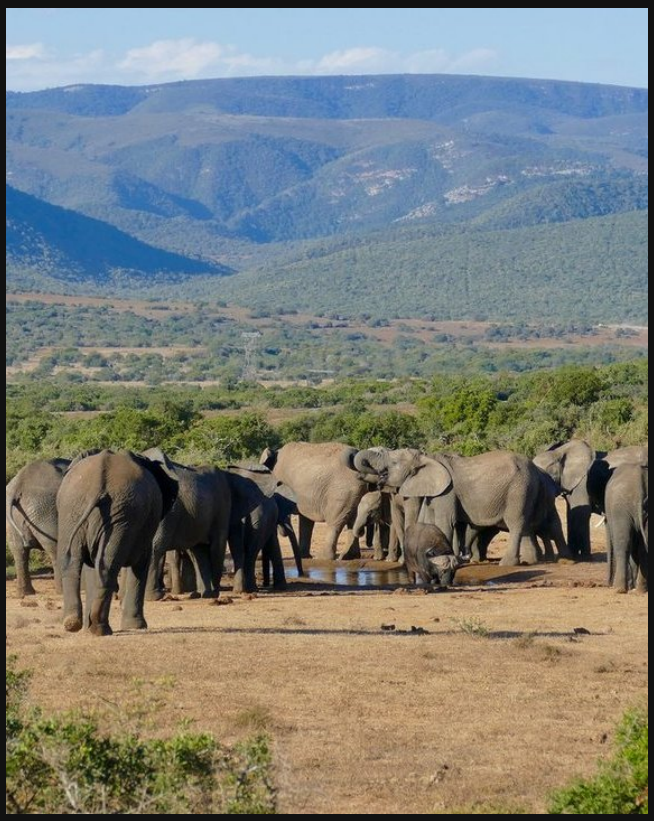
Tsavo East National Park

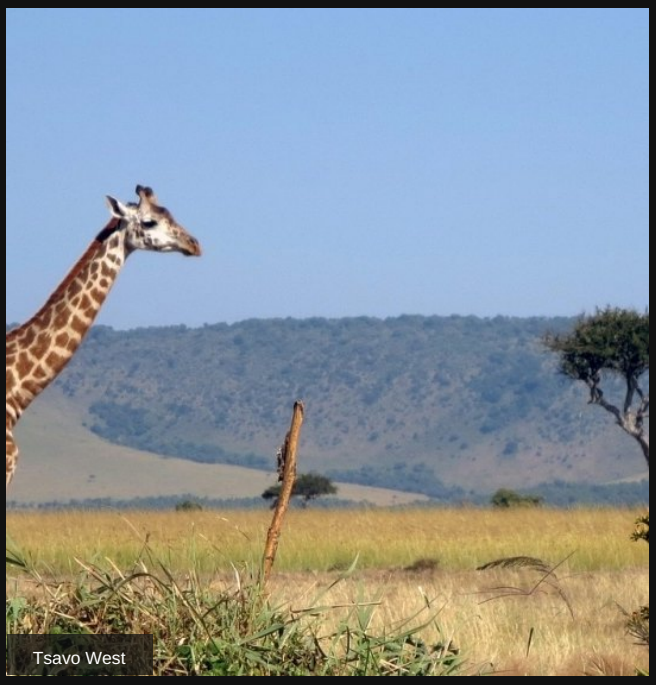
We depart by road for Tsavo East National Park, Kenya's largest national park. Arrive in time for lunch, followed by an afternoon game drive. Tsavo East is an amazing wildlife-watching destination. Although one of Kenya's largest rivers flows through the middle of the park, the scenery is notably flatter and drier than the one at Tsavo West. However, spotting wildlife is much easier thanks to the thinly spread foliage. Dinner and overnight at the lodge.

Tsavo East



Tsavo West National Park

Morning game drive at Tsavo East. Picnic lunch on the way to Tsavo West National Park. Tsavo West is the most visited section in Tsavo National Park, offering many attractions apart from its wildlife. The foremost is the famous Mzima Springs where up to 227.3 million litres of cool crystal clear water flows out of the ground through porous volcanic rocks. The water is believed to originate from Chuyulu Hills, via an underground river. Dinner and overnight at your lodge or tented camp.



Tsavo West

Tsavo West National Park

Early Morning start and drive to Amboseli National Park, check in at your accommodation. Amboseli National Park is situated south of Nairobi, Most of the park consists of a dry, ancient lake bed and fragile grassland with patches of acacia woodland, while in the southern area there is a number of small rocky volcanic hills. Around the swamps Ol Okenya, Ol Tukai and Enkongo Narok, the vegetation is lush with yellow barked acacias and phoenix palms. Dinner and overnight at your lodge or tented camp.
