4 Days The Giants Trail

Nairobi - Tsavo East National Park

Day 1

Afternoon game driving in Tsavo East

We depart by road for Tsavo East National Park, Kenya's largest national park. Arrive in time for lunch, followed by an afternoon game drive. Tsavo East is an amazing wildlife-watching destination. Although one of Kenya's largest rivers flows through the middle of the park, the scenery is notably flatter and drier than the one at Tsavo West. However, spotting wildlife is much easier thanks to the thinly spread foliage.

Dinner and overnight at the lodge.

Day 2

Afternoon game driving in Tsavo West

Morning game drive at Tsavo East. Picnic lunch on the way to Tsavo West National Park. Tsavo West is the most visited section in Tsavo National Park, offering many attractions apart from its wildlife. The foremost is the famous Mzima Springs where up to 227.3 million litres of cool crystal clear water flows out of the ground through porous volcanic rocks. The water is believed to originate from Chuyulu Hills, via an underground river. Dinner and overnight at campsite or lodge.
