Maasai Mara National Reserve

Day 1

Afternoon game drive in Mara.

An early morning drive to Masai Mara National Reserve, it holds on as one of the few places left on earth where wildlife still lives comparatively undisturbed, in the numbers that once roamed the plains and forests of Africa. As the northern tip of the vast Serengeti ecosystem, the Mara hosts the spectacular seasonal migration of many thousands of Wildebeest, Zebras and attendant predators. Arrive in time for lunch then have an afternoon game drive.

Dinner and overnight at campsite or lodge.

Maasai Mara National Reserve

Day 2

The Mara hosts the spectacular seasonal migration of many thousands of Wildebeest, Zebras and attendant predators. It's one of the few places where it's possible to see the big five during a morning's game drive.

Full day game drive in Mara.

After breakfast we have a full day game drive, with packed lunch provided. The reserve is well known for its black-maned lion, as well as its abundant resident wildlife and its one of the few places where it's possible to see the big five during a morning's game drive. Many of the cheetahs are so tame they seek shelter from the hot sun under one's vehicle and several even climb onto the roof to get better view of prospective prey. For the bird enthusiast, almost 500 species have been recorded: among these 16 species of eagle, plus many hawks and falcons, 6 species of vultures, 8 species of storks 4 of bustard (including the Kori bustard, the world's heaviest flying bird), and 9 species of sun birds.

Dinner and overnight at campsite or lodge.

Day 3

Known all over the world for its flamingos, it's alkaline and is recognized as being one of the natural wonders of the world

Afternoon game drive in Lake Nakuru.

An early morning pick up then drive to Lake Nakuru National Park, across the equator, southwards of Bogoria, lies the rift valleys most famous Lake Nakuru. Known all over the world for its flamingos, it's alkaline and is recognised as being one of the natural wonders of the world. Lake Nakuru is now a rhino sanctuary, harbouring a population of over 40 black and over 60 white rhinos, but the flamingoes, of course, have always been the main attraction. At times there may be almost 2 million flamingoes in the residence, forming a stunningly beautiful deep pink band around the edge of the lake shore. Arrive in time for lunch then have an afternoon game drive.

Day 4

Morning game drive in Lake Nakuru

Morning game drive in Lake Nakuru. Lunch en route.

Depart in the afternoon to Lake Naivasha which it is the highest and the most beautiful of the Rift Valley lakes. Naivasha is yet another area popular for bird watching (over 400 species have been recorded). It is also a favorite weekend retreat for Nairobi residents, who come here to sail, water ski and fish. There are no crocodiles in the lake as the water is too cold for them, due to altitude but there are a number of hippos. Along the lake shore, vineyards produce grapes for the country's fledging wine industry.
